

WSIB 101 Webinars July 8th & 22nd

If you would like to better understand the new WSIB Rate Framework system, how to prevent and manage claims and understand the associated costs. SE-GA will provide Education sessions at **10:00 am July 8th & 22nd**. (Registration is required <https://segaconsulting.com/seminars/>)

This education session is a one-hour WSIB 101 webinar. It will demonstrate to employers what should be in their claims management toolbox in order to be successful.

Participants will learn:

- The process of a claim
- The WSIB Forms
- Claims Management
- Appeals
- Stakeholder Responsibilities
 - Including worker responsibilities
- Understand the Transition from NEER (CAD-7) to the Rate Framework model
